The World Best Cushions!

Low Pressure Air Lifting Cushions

Medium Pressure Air Lifting Cushions

Matjack Lift Cushions- **Reliable, Safe and Easy-to-Use**

**Put Matjack lifting cushions under
a load and inflate!**
**Our hand-held controls have
two buttons inflate and deflate.**
It's just that easy.

**Our cushions require only 1-3
inches clearance and can lift
several tons at the
push of a button.**

Unmatched Durability and Strength!

**Matjack low pressure cushions are
made with Hypalon and Neoprene**

**Matjack medium
pressure cushions
are made with
Kevlar/ Aramid fiber
reinforced Neoprene**

- Unmatched durability and strength, which is why they are the number one choice for among rescue squads, civil defense and military agencies worldwide.**

- **Matjack lifting cushions work best in cantilever or “hinged” style lifts, but can also be used for vertical lifting if rigged correctly so lateral movement of the weight being lifted is restricted.**
- **Matjack medium pressure cushions have a 2 year warranty, but with normal care and maintenance, they should work well over 20 years trouble free.**
